resulting from the use of the defective trusce formerly worn, says. This evil was not fally remedied until Dr. Amos G. Hall, of New York, turned his attention to the subject, and by his improvement in the construction of trusby nis improvement it certain that all recent rep-tures and those of children, may be permanent, ly cured, and those of old people and of long standing, may, in many cases, also be reme-died. The pad of Dr. Hull's Truss is concire

conducted by the President, at 3 o'clock in the afternoon of that day.

There is an examination of all the classes at the close of each session, when a circular letter is sent to the parent or guardian of each student, stating his general character and standing. If a student be found incapable of proceeding in his class with advantage to himself, he is transferred to the next inferior class; but may be restored to his former rank; if he make up his deficiencies by vigorous application.

Candidates for admission into the Freshmar class, must be able to pass a critical examination in the Grammars of the Latin and Greek languages, in Casar's Commentaries, Cicero's Orations against Cataline, Virgil's Aneid, in Latin; Dalzell's Collectanes Graca Minora, and the Gospel of John, in Greek; and the foundamental rules of Arithmetic. were cases of long standing, where all other trusses had failed. I send you a note of thanks from Mr. P. a citizen of great respectibility. who was cured of a bad scrotal rupture, of thirty-five years standing, by wearing one of your trusses for two years. He had mornether trusses twenty nine years. His con, also aged 16 years, ruptured from his infancy, val cured under my care in less than two years.
